

If you don't see your course(s) listed as a Combination Exam, then the exam slot that corresponds to the course's normal meeting time. These final exams will be held during that assigned exam timeslot, in the same classroom you've met in all semester.

In the case of a student who is scheduled for 3 (or more) final examinations on one day, the examination in the middle exam slot will be rescheduled at the convenience of both the student and the faculty member. However, there are two exceptions

The first exception, is if the student can move any of the 3 (or more) examinations to the examination for another section of the same course.
